

This sheet music booklet presents the songs from *An Easy Cheesy Nativity* in a three-stave format: keyboard plus vocal line (with lyrics) above, plus chord names suited to guitar accompaniment. The music is designed to assist music readers with their teaching & learning of each song when used in conjunction with the double compact disc recording (MFS 033). For your performances, however, it is intended that the backing track CD (MFS 033B) is used for the musical accompaniment.
